

GUARANTEE OF ORIGIN

to

MORAKNIV AB

This guarantee certificate confirms that all electricity you consume comes from renewable sources such as wind, water, solar and biofuels.

A handwritten signature in black ink, appearing to be "R. Per", written over a horizontal dotted line.

For Dalakraft

dalakraft.se 0771 48 80 00 info@dalakraft.se

The electricity you extract from your electric outlets is a mixture of all the power supplied in the networks. Our guarantee of origin means that we buy the same amount of electricity from renewable sources that you consume. An external, authorized auditor annually verifies that our purchases of electricity from renewable sources corresponds to our sales of electricity.
